Important: You may at any time refuse to act on any instruction from the Agent and you may require my consent to any specific transaction as you solely determine. You will have no liability for refusing to act on the instructions of the Agent.

I understand that any changes to the type(s) of authority I have granted to the Agent will require me to execute a new Third Party Authorization and Indemnity form.

Section 4 Indemnification

I acknowledge that I am designating the Agent for the purposes set forth in the Authorization Section above. I further acknowledge that you did not recommend the Agent or make the Agent's identity known to me. I agree that I am not relying on you to conduct any due diligence on the Agent, and that I selected the Agent on my own accord and at my own risk. I ratify all transactions made by the Agent.

I agree to release you from any liability, indemnify, and hold you harmless for any claims (including attorneys' fees) based upon the actions of or instructions from the Agent, or your acting, refusing to act, or exercise of discretion in determining whether to accept or refuse any of the Agent's instructions. I agree that you are in no way responsible for any loss caused by the Agent, and that you do not endorse or recommend the actions of the Agent, including any investment advice provided to me by the Agent. This authorization and indemnity does not restrict any rights that you may have under any other agreement(s) with me.

This authorization will be effective until you receive written notice from me of my revocation. If I revoke this authorization, it will not affect any liability the Agent has to you or my indemnity above. This authorization and indemnity will benefit your successor firm(s) and/or your assigns.

This authorization will not terminate if I become incapacitated, incompetent, or disabled. This authorization may terminate if you receive a court document which appoints a guardian or conservator of my estate. In case of my death, this authorization will continue until you have received written notice of my death.

This authorization is not intended to revoke any durable power of attorney that I have executed prior to the date of this authorization.

This authorization cannot be used to allow the Agent to engage in the following:

- (1) changing the type of Account, including changing this Account to an advisory Account;
- (2) changing or naming beneficiaries (in the case of a transfer on death (TOD) or IRA Account);
- (3) establishing margin, if my Account does not already have margin available; or
- (4) trading in commodities, futures, or options, if my Account has not already been approved for such trading.

I agree that you have not provided any legal advice to me regarding this authorization and that I have had an opportunity to consult with my attorney.

This authorization and my indemnity shall be governed exclusively by and under the laws of the State of New York, regardless of any other agreements applicable to the Account now or in the future and any choice of law provisions in those agreements.

For Fiduciary Accounts Only. The delegation of authority to the Agent is granted by the named fiduciary for the Account and is within and consistent with the powers of the fiduciary under the governing document and/or state law. I understand that a legal opinion from an attorney may be required for this delegation.

For Trust Accounts Only. Each of the undersigned Trustee(s) and Agent acknowledges, agrees, and certifies as follows:

1. The trust agreement authorizes the Trustee(s) to delegate their powers to a third party such as the Agent under this authorization. This delegation is also permissible under the law that governs the trust. You have no responsibility to review the Trust Agreement and will solely rely upon the representations of the Trustee(s) and the Agent in this authorization.
2. You will accept instructions from the Agent on the Account pursuant to this authorization until provided notice of:
 - (a) the death, incapacity, removal or resignation of any Trustee;
 - (b) the incapacity, removal, or resignation of the Agent; or
 - (c) the revocation of this authorization.
3. If you are notified of the death, incapacity, removal, or resignation of any Trustee, you will stop accepting instructions from the Agent on the Account. Updated Account documentation may be required.
4. If you have concerns regarding the Trustee(s) capacity to manage their financial affairs, you may require the Trustee(s) to provide a letter from their physician regarding their capacity.
5. You may, at your sole discretion, require a legal opinion from counsel as to the permissibility of delegation of Trustee powers to the Agent pursuant to this authorization under the trust agreement and state law.
6. Trustee(s) and Agent agree to indemnify and hold you harmless from any claims (including without limitation, attorneys' fees) by the trust, the Trustees' estates, beneficiaries or others for following the instructions of the Agent pursuant to this authorization. The obligations of Trustee(s) and Agent under this authorization are joint and several.
